

RESPONSE**U.S. Appln. No. 09/674,377****REMARKS**

On page 2 of the Communication that Examiner contends that the Response to Election of Species Requirement filed November 4, is not fully response to the Office Action because Applicant did not identify all of the claims readable on the elected species, i.e., Applicant stated that "At least Claims 21-26 and 28-36, read on the elected species." It appears to be the Examiner's position that only Claims 21-26 and 28-36 read on the elected species (cancer). Applicants submit that all claims, other than Claims 27 and 37, read on the elected species.

The Examiner is invited to contact the undersigned at the below-listed number on any questions which might arise.

Respectfully submitted,

Gordon Kit
